

FIELD OPERATIONS TECHNICIAN

Who We Are

Utility Pipeline Ltd. is a Natural Gas distribution management company. We operate and maintain Natural Gas service for several Utilities and Cooperatives throughout Ohio, Indiana, Pennsylvania, Virginia, and West Virginia. UPL offers a full range of services in the natural gas industry including engineering, installing, maintaining, and operating natural gas distribution systems, all upheld to the highest standards in the industry.

Job Summary

Utility Pipeline Ltd. is searching for a natural gas field technician who would primarily operate west of Columbus in London, OH and surrounding areas including Franklin, Madison, Licking, Delaware, Union, and Logan counties. In order to respond to emergencies, this individual must live within 30 minutes of Plain City, OH. This technician would work remotely, but report to our central office in Buckeye Lake, OH periodically. Experience in the Natural Gas distribution field is a plus. This is a full time position with benefits.
